June 2016

Hello Everyone

Welcome Back!

Are you ready for all our fun and events we have planned?

There are plenty of them, please bear with us as we get organised ...please note dates are subject to change and we will update you when we can if the need arises. Please keep an eye on your child's book bag.

Parent Maths workshops

Don't forget sessions across the school will be running next Monday, 13th June 3:30-4:30 with a range of fun activities that are easily adaptable to home life to make sure you all enjoy using maths around the home and out and about. Everyone is welcome.

New Governor

Thankyou for your election returns and to both candidates for coming forward. Stephen Hilton has now been elected to our Advisory Board.

Parent governors provide the community voice for our strategic overview of the school and enable us to oversee our key statutory duties, particularly in respect of safeguarding children, Pupil premium allocation and SEND . Our governors are extremely committed and give much of their time to support us in school.

It is important to recognise they have no operational functions in school management and day to day running of the school, therefore anyone wishing to discuss issues relating to this should follow our recognised communication lines.

Any issues should be brought to the attention to the appropriate member of staff in the first instance so we can deal promptly with you query. For this purpose and to enable us to make sure staff are prepared and have adequate time to attend to anything you may wish to discuss, we ask that you approach the office with any issues that may need longer than a quick chat with Mrs Bartram in a morning. They will ensure that a contact form is completed to make sure the correct member of staff can arrange a suitable time to meet/telephone you.

Mrs Bartram is always available in the morning to take shorter messages that may not need a response.

Science Conference

Have fun at the DSAT Science conference those of you who have signed up...we're looking forward to hearing all about it.
