|--|---|---|---------------|---|--|
| (14 days)  | (14 days)   | Who to Inform?  | Who?          | What?   | Option 1 Pre-recorded Lessons  |
| In the event of individual child or small group (10 children or less) needing to quarantine. | Follow the school lockdown strategy for children in quarantine.  Remote learning lessons must be provided for the children at home. Look at the options before deciding on the best form of action for your children (discuss this with your SLT before making a final decision).  Digital devices must be accessible for the children (Check parent response on MS Forms questionnaire). | Headteacher to inform the staff and the Trust about attendance data, any children testing positive and any decisions to isolate groups of children. They must communicate with the parents, and every member of staff – provide daily updates to ensure there is a good level of communication and everyone is being supported (wellbeing).  Teachers must plan blended learning lessons and add a section on to their planning format so that they are | Class Teacher | To use a blended learning lesson plan for real and virtual lessons.  Record all core lessons (Maths, Phonics, Storytime & Reading) and upload to Tapestry/TEAMS.  If possible, deliver 'live' lessons via Tapestry/ TEAMS so the children can join in at home.  Use Tapestry/ TEAMS so that the teacher can communicate separately with them and upload work and links. | Teacher to plan normal class lessons using the blended learning lesson approach.  Make sure lessons maths, phonics and reading lessons are recorded.  These are then uploaded to Tapestry /TEAMS and share with the children and parents.  Parents and children can access these at home later in the day or the next day (they will have to work one day behind the class possibly.)  Teachers will devise a daily timetable with the links attached so that the children can view the lessons easily.  Children to complete their learning on paper and take a photo or make a video clip to upload to Tapestry TEAMS. |
|  | If the child cannot access a device, the school needs to loan a device to the parents during the quarantine period (14  | considering the needs of real, live, and remote lessons for all children.  After school online chats with the families will be  | LSA/TA        | Tapestry/ TEAMS to support the class teacher to deliver the lessons and communicate via 'chat' with the children at home during the live lesson.  | Teachers would respond on Tapestry TEAMS with a typed message or a video message from the teacher. For a suggested structure of a complete day please refer to the appendix.   |
|  | days). The device must<br>be returned to the<br>school at the end of that<br>time (See parent   | necessary for support and reassurance.  | IT Technician | Support the class teacher with the technology before and at the end of the lesson.  |  |

| The children would be taught the same lessons using the blended learning planning format.  Live lessons would be recorded and uploaded so that children could replay the lesson or watch it later in the day if they missed it. | learning platforms. (It is advisable to create a class document containing all of these details so that it is easily accessible in the event of quarantine or lockdown.)  The school (Headteacher to advise the technicians) must provide a device to vulnerable families if they | IT Technician /<br>Blended<br>Learning<br>Champion | Support the class teacher / TA with the technology before and at the end of the lesson.  Make sure the lessons are uploaded to Tapestry for the children to access for catch- up learning whether the lesson is live or not.  |  |
|---|---|--|---|--|
| The remote learners would upload their work to Tapestry.  | do not have one at home. It must have the safeguarding software installed as well as the Office 365 apps, shortcut to MS Teams, Tapestry and Numbots.  Technician helpdesk for the year group will be necessary to support parents with devices, as well as possible              | SLT  | Ensure the LSA/TAs are fully aware of their role and they have regular slots for CPD to improve knowledge and skills on Tapestry and MS Teams. Check that the Technicians can provide the correct support, notify the Trust if you require additional technical help.                         |  |
|   | Broadband/Wi-Fi issues.   | Head of<br>School                                  | Maintain links with the families of the children.  Deliver updates via assemblies for the children and parents and post updates for staff via Tapestry / Teams.  Monitor the live and prerecorded lessons in Tapestry and in MS Teams.  Regular meetings with the teachers of those children. |  |

Contingency Plan – Outbreaks - For Whole School of Self-Isolating Pupils in EYFS / KS1 (School would still be open for key-worker children, vulnerable and disadvantaged children)

| Tier 3   | School Response   | Teachers  | Key A          | ctivities/Timetable  | Options   |
|--|---|---|----------------|--|---|
| (Unknown time span – depends on the severity of the local/ national situation)   |   | Who to Inform?  | Who?           | What?  | Option 1 Real and Live Lesson Timetable and Live Chats  |
| In the event of all classes in the school needing to go into lockdown (No children in school just vulnerable & disadvantag ed & key worker children still in school) | The school would create a rota for teaching. Keyworker children, vulnerable and disadvantaged children would be taught by 1 class teacher, supported HLTAs and TAs. Children at home would be taught remotely by the other year group teacher or another teacher. | The Headteacher will inform all staff of any changes daily at an inset session/staff meeting.  The Headteacher will need to inform the Trust about any children testing positive, children/families not engaging with the remote learning, difficulties with digital devices, key issues regarding vulnerable/ disadvantaged children/families, information about staff | Class Teachers | To use a remote learning lesson plan for real and virtual lessons.  Record all core lessons (Maths, Phonics, & Reading) and upload to MS Teams.  Deliver 'live' lessons via Tapestry (pre-record) / MS Teams to all the children at home.  Set learning tasks on Tapestry/ TEAMS, mark them, give feedback and return. | (Note: If the teacher does have to quarantine and they are not ill, they can still teach remotely to the children at home.)  If the teacher has to quarantine (test positive) and they are ill, then the school will have to consider moving a teacher to that year group to teach them remotely (A HLTA could cover their class).  The keyworker/ vulnerable children who do not have to quarantine could be taught by SLT, until of the class teachers returns. They could use the planning & resources from the remote learning lessons. |

| Localised or<br>national<br>lockdown | Live lessons would be taught in the morning – Maths and Phonics.  In the afternoon, the entire school would receive the same lesson from a member of the SLT or a teacher. They will teach a foundation subject such as Art, History etc and the               | testing positive and remote learning issues. Teachers must create an online learning timetable for the week with links to the live lessons. Teachers need to plan remote lessons using their planning format so that they are considering the needs for all children. Teachers need to work on a               | LSA/TA   | Tapestry / MS Teams - support the class teacher to deliver the lessons and communicate via 'chat' with the children at home during the live lesson.  TA to support with online marking and verbal feedback.  Use video chat for   |  |
|--------------------------------------|--|--|--|---|--|
|                                      | entire school would access this lesson whilst the teachers who taught in the morning would mark the work and send feedback to the children. They will also conduct group chats after the afternoon topic lesson to communicate and support learning via video. | rota to support children remotely and in school. One to one support staff would also need to provide online lessons/ learning and support. (Guided by class teacher.) Teacher and TAs will need to communicate regularly throughout the week to discuss the learning and the needs of the children.  TAS/HLTAS | IT Technician /<br>Blended<br>Learning<br>Champion | vulnerable and disadvantaged children.  Support the class teacher / TA with the technology before and at the end of the lesson.  Make sure the lessons are uploaded to Tapestry or the class MS Team for the children to access for catchup learning whether the lesson is live or not. |  |
|                                      |  | If the TAs and HLTAs are not in school, then they should be directed by the class teacher to support children remotely. They could contact vulnerable children and show them how to use MS Teams and some of the key apps etc.   | SLT  | Ensure the LSA/TAs are fully aware of their role and they have regular slots for CPD to improve knowledge and skills on Tapestry / MS Teams. Check that the Technicians can provide the correct support, notify the Trust if you require additional technical help.                     |  |

Notes:

| Key Points:  | Possible Implications (Head of School to complete this section)   |
|--|---|
| Schools must have digital devices set aside for these scenarios so that children can access the learning platform and websites at home.  | Through the Trust programme of lending out devices.  Use of school equipment – signing out and in the devices with the support of the ICT Tech.   |
| SEND children who have an EHCP plan will have remote 1 to 1 learning with their TA. Teachers would provide lesson plans and resources for TA. (20-minute sessions – recorded so that that parents can view it and play it back for their child.) | This is to happen through the SEND Channel and meetings are scheduled before the day.  Parent consent is required through completing a TEAMS Form.  |
| ELSA support – ELSA sessions to be conducted through online platform.  | This is to happen through the SEND Channel and meetings are scheduled before the day.  Parent consent is required through completing a TEAMS Form.  |
| Create a parent MS Form to investigate home access to digital devices for learning and for Wi-Fi access.   | To be completed before lockdown or if a class bubble is asked to self-isolate.  Encouraging parents to use the X-box/PS4 – survey through TEAMS to identify households who have access to this service. |

#### **DfE Expectations**

## Remote education support

Where a class, group or small number of pupils need to self-isolate, or there is a local lockdown requiring pupils to remain at home, we expect schools to have the capacity to offer immediate remote education. Schools are expected to consider how to continue to improve the quality of their existing offer and have a strong contingency plan in place for remote education provision by the end of September. This planning will be particularly important to support a scenario in which the logistical challenges of remote provision are greatest, for example where large numbers of pupils are required to remain at home.

In developing these contingency plans, we expect schools to:

- use a curriculum sequence that allows access to high-quality online and offline resources and teaching videos, and that is linked to the school's curriculum expectations
- give access to high quality remote education resources
- select the online tools that will be consistently used across the school in order to allow interaction, assessment, and feedback, and make sure staff are trained in their use
- provide printed resources, such as textbooks and workbooks, for pupils who do not have suitable online access
- recognise that younger pupils and some pupils with SEND may not be able to access remote education without adult support, and so schools should work with families
  to deliver a broad and ambitious curriculum.

When teaching pupils remotely, we expect schools to:

- set assignments so that pupils have meaningful and ambitious work each day in a number of different subjects
- teach a planned and well-sequenced curriculum so that knowledge and skills are built incrementally, with a good level of clarity about what is intended to be taught and practised in each subject
- provide frequent, clear explanations of new content, delivered by a teacher in the school or through high quality curriculum resources and/or videos

## Discovery - COVID 19 Trust Contingency Plan - Outbreaks and Lockdowns (Partial and Full)

- gauge how well pupils are progressing through the curriculum, using questions and other suitable tasks, and set a clear expectation on how regularly teachers will check work
- enable teachers to adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding
- plan a programme that is of equivalent length to the core teaching pupils would receive in school, ideally including daily contact with teachers

We expect schools to consider these expectations in relation to the pupils' age, stage of development and/or special educational needs, for example where this would place significant demands on parents' help or support. We expect schools to avoid an over-reliance on long-term projects or internet research activities.

The government will also explore making a temporary continuity direction in the autumn term, to give additional clarity to schools, pupils, and parents as to what remote education should be provided. DfE will engage with the sector before a final decision is made on this.
