Dear Parents/Carers,

### Information related to home learning

The children have really engaged in all the home learning taking place, either on TEAMS, Tapestry or through the packs of learning. We have all enjoyed looking at their amazing, creative work.

Unfortunately, all the live video feeds across DSAT have temporarily been postponed. However, all the staff are uploading the stories so your child/children can listen to the brilliant stories in your child/children's own time.

If you require support in any way, please don't hesitate to contact the school. Your message will be passed directly on to the class teacher and/or Mrs Bailey (Acting Head of School).

Moving forward, in this challenging time as a school we will keep you updated with any changes regarding returning to school. This information will come directly from the Government and Department of Education. As a school and trust we are actively creating an action plan linked to returning to school. This is to ensure all the children's wellbeing is carefully consider and all the guidelines are adhered too. Thank you for your patient at this time.

You are all doing an amazing job in this unprecedented time. Keep safe and well.

Kind Regards

Mrs Bailey and staff  
Acting Head of School
